表格中的部件为我公司各产品的主要部件汇总,本产品所含部件以产品实际配置为准。

表格中未列出的本产品其它部件及其均质材 料均不含有害物质。

表格中含有害物质的部件及其均质材料,均符合欧盟RoHS对有害物质限制使用的严格要求,请放心使用。

表格依据SJ/T 11364的规定编制。

○:表示该有害物质在该部件所有均质材料中的含量在GB/T 26572规定的限量要求以下。

X:表示该有害物质至少在该部件的某一均质材料中的含量超出GB/T 26572规定的限量要求。

温馨提示:

为了保护环境,本产品或其中的部件报废后,请将其与生活垃圾分开,送至有资质的回收站点,由回收处理站点按照国家相关规定进行分类拆解、回收再利用。

有关本产品的回收处理的详细信息,请咨询 当地政府、废品处理机构等。

Bluetooth BLE 5.0 Battery: 220mAH Water Resistant: IP68

Notice

- It is based on PPG optical sensor technology to serve measurements data for daily checking purpose. All of them can not totally replace the measurements by professional medical devices. If you have related diseases, consult doctors for professional medical treatment please.
- For power saving, most smart phones are in Apps auto management. When quit the App, the running might be banned by OS system at background. Bluetooth disconnection happens and face the problems such as no notifications/messages push if that. Then, enable the App at smart phone OS settings by manual to settle it.
- Don't wear in bath/sauna where the water temperature is over 35°C/95°F.
